AFTER SHOCK

A stunning graphical adventure that will take you into the heart of a devastated city.

AMSTRAD CPC CASSETTE

INTERCEPTOR SOFTWARE

Look out over a city devastated by an earthquake, where a thousand fires light up the skyline, and danger lurks on every street corner. But even now the terror has not passed - a nuclear reactor has been badly damaged during the quake, and the repair crews have fled in fear of their lives. As a member of the team that helped design the reactor, you are the only person left who can repair it. But it's a race against time as you fight your way through the city to avert this ultimate disaster.
